### Collection Days for Burnable Trash

● Burnable waste will not be collected from Jan 1 to 3. Collection days are not affected by national holidays, substitute holidays, Golden Week, Obon, and end-of-year holidays.

Give it a dry! Dry your waste before you throw it out. 80% of organic waste is made up of liquid content. You can reduce the overall volume of your waste simply by draining water from it before disposing of it. By staying mindful of this, we can reduce our waste as a city!

**Garbage disposal app "さんあ〜る(threeR)"**  
Use this app to check disposal dates and rules for sorting garbage.  
★Download via QR Code★  
\*App is free to use. Users are responsible for data & transmission fees. \*Some OS versions may not be supported.

**Paper Recycling Stations**  
For details, see the "Waste Sorting and Disposal Guidebook".  
Please bring your paper to the recycling station during its opening hours. The recycling stations are not open on national holidays or New Year's holidays.

If you are not sure which region you live in, please contact Kankyō Shisetsu-ka.

### Collection Days for Non-Burnable Waste and Recyclables

● Non-burnable waste and recyclables will not be collected on national holidays, replacement national holidays, or New Year's holidays (Dec 29th to Jan 4th). If scheduled collection falls on one of these days, a replacement collection day will be set. Check these dates on the calendars below.
